

JIGSAW DANCE ENROLMENT & INFORMATION SHEET - 2018

Jigsaw Dance is celebrating their 25th Anniversary this year!

OUR PHILOSOPHY

Jigsaw Dance offers an exciting and unique approach in teaching the art of dance and performing arts. We strive to provide enjoyable, fun classes that are run in a competitive-free environment. We take our roles very seriously as teachers and mentors in each of our student's lives.

Our main focus for our dancers is for them to feel good about themselves and their achievements. Our programs are designed to develop the "whole" child, not only by teaching them to dance but by building on their self-confidence with a positive mind and body image. Although classes are structured, they are conducted in a fun and relaxed atmosphere which allows children at all levels to enjoy dance and performing arts.

MID YEAR SHOWCASE

We love seeing our students grow and improve and we are sure that you as parents do too. For this reason, we run a **Mid- Year Showcase** in Week 9 of Term 2 and **End of Year Concert** at the end of Term 4.

Mid-Year Showcase

Saturday 2ND June, 2018 (Jigsaw Juniors, Rising Stars & Shooting Stars)

Sunday 3RD June, 2018 (Academy Dancers)

Our dancers learn a routine from the beginning of the year and perform for parents and friends. It also gives the parents an opportunity to see how their children are progressing after their first 4 months of dancing and gives the dancers their first opportunity for the year to get up on stage to perform. (Our Mid- Year Showcase requires our dancers to **wear studio uniform only**. No costumes are required until our end of year concert)

END OF YEAR CONCERT

End of Year Concert - Saturday 17th November, 2018 (Jigsaw Juniors, Rising Stars & Shooting)

End Of Year Concert - Sunday 18th November, 2018 (Academy Dancers)

Our most anticipated event of the year...our dancers learn a great new routine in term 3 & 4 and wear amazing costumes...it is what our dancers work towards all year!

At the end of each year we produce a concert; it's a big, beautiful, warm and amazing experience for the children performing! There are additional costs associated with the concert. These include a costume (which is paid by term instalments each term), stockings, correct dance shoes and other options by choice. Please carefully read below for approx. costs:

CONCERT COSTS: The range of prices to be expected around concert time is as follows: Costume \$65-\$85 per costume, Tickets \$27.50 per adult \$22.50 per concession \$14.50 per child (Dancers do not need to buy a ticket), Photos (optional) \$45 for 5 photos on USB, Tights \$10 - \$12.

BIRTHDAY PARTIES

Jigsaw Parties are here! You have the choice of three amazing kids' party packages to select from. Choose from the Ballerina, Disco/Hip Hop or Cheerleader Themed Parties. These packages take the hassle out of kids birthday parties and allow parents to simply enjoy the experience with their child. All you need to do is bring along the birthday boy/girl and their cake, then let us take care of the rest!

Please, visit <http://www.jigsawdance.com.au/birthday-parties-dance-parties-castle-hill/> or email parties@jigsawdance.com.au for more information.

ASSISTANT TEACHER TRAINING PROGRAM

At Jigsaw Dance, we offer a leadership program to students who have an interest in teaching and leading as well as a willingness to share their passion with others.

During the year, they will have the opportunity to learn techniques and skills that will positively impact their self confidence, self awareness, speaking and communicating in front of people, leadership skills, learning and understanding the importance of planning, learning to recognise and manage different personalities.

If you would like more information on this, please email info@jigsawdance.com.au

DANCE EDUCATION COSTS, UNIFORM & PAYMENT DETAILS

It is preferred that all students wear the studio uniform. The students tend to feel more comfortable when they look the same as their class mates. We feel it gives a sense of belonging and team atmosphere. All pieces of uniform and dance shoes are available through the studio and the cost of the uniform is kept to a minimum so it's affordable for everyone.

- Appearance must be clean, neat and tidy. All long hair must be tied back neatly
- It is important that the correct shoes are purchased for each style. Dance shoes are to be worn during classes.

For your first couple of weeks, any singlet/top and shorts/tights are fine to get started if you are not sure about your child's confidence to participate in the class. Sneakers are fine to wear until you are sure that your child will be continuing the class.

All students need to wear correct dance shoes and studio uniform in the mid-year showcase so it is a good idea to get them from the start of the year

GENERAL INFORMATION

MEDAL TESTING EXAMS

We offer Medal Testing for tap and ballet. This is not compulsory, it offers our dedicated students something to strive towards and be acknowledged for their achievements. During Term 3, students will present their work to an industry professional and if satisfactory in their grade, will receive a medal and certificate of achievement. If you are unsure whether or not your dancer will be ready to sit the Medal Test, you can discuss it with me and we can make the decision together.

PERFORMANCE TROUPES

After a fantastic and positive finish to the year, we have completely re-structured the running of our Performance Troupes.. We have created Performance Troupes that correspond with each different grouping of classes and their matching concerts (eg. Rising Stars). At Jigsaw we strive to be as inclusive as possible, therefore this opportunity is open to everyone. I have the tentative dates booked in for 2018 (please see the Calendar) and as these dates are fast approaching we request that you enroll as soon as you know you would like to participate. To ensure that we provide the best representation of Jigsaw Dance at these performances we do require weekly commitment. These classes are on a Thursday afternoon. For those wanting to know more, please send us an email at info@jigsawdance.com.au

PRIVATE LESSONS:

Private lessons dances can choose other performance opportunities, if they wish, or use these lessons to perfect their skills. More information can be obtained by emailing info@jigsawdance.com.au

CLASSES FOR 2018

Classes in 2017 thrived and as such I have **completely restructured all the classes so that they are now based on which year they are in at school**. This will allow more space for new enrolments and to keep class sizes capped. This restructuring mainly concerns the Academy Junior & Seniors students. Students are not placed in classes based primarily on their age, but experience, ability and friends are important factors that can determine what class is best suited for them. The class descriptions are listed below.

“All classes have been specifically programmed to allow our dancers to continually improve on technique, co-ordination and choreography while always ensuring creativity and fun! All teachers have been trained with this syllabus to ensure all our dancers are developing and learning at a consistent pace.”

CLASS STRUCTURE 2018	
JIGSAW JUNIORS	0 to Preschool
RISING STARS	Kindergarten to Year 3
SHOOTING STARS	Year 3 to 5
ACADEMY (JUNIOR & SENIOR)	Year 5 and above

If you are unsure of which class your child should do please contact Miss Seanan on 0412 687 890 or email info@jigsawdance.com.au and she will be happy to guide you in the right direction.

JIGSAW JUNIORS – DANCE ADVENTURE

Each week our classes are a journey of imagination, creation and education. Along the way, our dancers develop new skills, confidence and friendships through the passionate guidance of our teachers. We encourage creative thinking and exploration while our dancers get to feel a sense of pride, excitement & fun and most importantly feel like the most important dancer in the room.

- **JIGSAW JNR RAINBOW CONNECTION** (My Love and Me) – This is a beautiful opportunity for you and your little one to start the music and movement appreciation process. Together you and your little one will play with musical instruments, use fun props, run obstacle courses on the soft play equipment while singing and dancing together.
- **JIGSAW JNR NEXT GENERATION COMBO CLASS (45mins)** – This combo class has been created to allow dancers to experience different genres of dance in a 45min lesson. This will give them a taste of a variety of styles and see which ones they love and may wish to pursue in the future. This programming includes:
 - **JAZZ, HIP HOP, MINI ACRO, TAP (without tap shoes) & BABY YOGA**

These classes are fun and energy filled including basic movement, co-ordination, singing and drama to familiar music. It gives children a chance to develop their ear for music and feet for dancing, starting at the age most crucial.

- **JIGSAW JNR BALLET** – Our ballet classes have the same fun and energy of our Jazz classes, but also incorporates the beginnings of ballet techniques allowing a gentle introduction to the world of tippy toes and twirls. Dancers are taught correct technical skills and ‘French’ ballet names for steps and movements – so we have classes of 2-5yr olds speaking French each week!

MID YEAR SHOWCASE & END OF YEAR CONCERT

All of our Jigsaw Juniors (apart from our Rainbow Connection Classes) are invited to participate in our **Mid-Year Showcase** and **End of Year Concert**. This is **SO** much more than just *'doing a dance on the stage'*. These opportunities are a positive and growing experience for your dancer (and you). Each lesson the teachers work in developing the 'whole child'. It actually doesn't matter what they do, we just want them to have the greatest time & feel really excited, confident and proud of themselves.

These displays also allow the children to show their family and friends what they have been working on during their lessons each week. Teachers talk and encourage our dancers from week 1 about how exciting and fun it is to dance on the stage, so we'd like for you at home to use the same positive language with your dancers.

Costumes and Music: are all age appropriate and your dancer is **not** expected to wear make-up.

Mid-Year Showcase: **Saturday 2nd June, 2018 approx. 11am – Pacific Hills High School**

JIGSAW JUNIOR - FREQUENTLY ASKED QUESTIONS

Can mum & dad watch the class? First time parents of the younger groups may watch the beginning of the first class to help settle dancers in. After this we find that the children respond much better without parents and siblings in the studio. However, after many years of experience, special tactics are used for those who have trouble separating from their parents, so don't worry if it takes your dancer a couple of weeks to feel comfortable and participate.

At Jigsaw HQ, we have viewing windows where parents can watch the classes from the waiting area.

In the final week of Term 1 and 3, we have parent participation week. This is where you can come and join in with your dancers as they teach you the moves they have learnt through-out the term.

Is it compulsory to participate in the mid-year & end of year concert? Our concerts are not compulsory but highly recommended. It's a fun and entertaining experience for everyone involved and a great way for your dancer to show off all their hard work they have done throughout the year. Our concerts are designed to be pressure free and as relaxed as possible for everyone involved.

Our mid-year concert is usually held the weekend before the June/July School Holiday and our end of year concert is usually the third weekend in November, so the dancing year finishes before the massive rush and commitments of Christmas start.

Are class sizes capped? Yes. The number depends on the age and style of the class. If classes are full, then you will be placed on a waiting list and contacted as soon as a position becomes available.

Can I enroll after the dancing year has started? Yes - we accept new students throughout the year. Just email us at: info@jigsawdance.com.au for an information sheet and timetable.

Do I need to buy a dance uniform or shoes before I enroll? No - dancers trying classes for the first time are encouraged to come in comfy clothes and sneakers. Uniform can be purchased anytime at Jigsaw HQ – Castle Hill or on our Registration and Discount day in January.

Is it compulsory to participate in the mid-year & end of year concert?

Our concerts are not compulsory but highly recommended. It's a fun and entertaining experience for everyone involved and a great way for your dancer to show off all their hard work they have done throughout the year. Our concerts are designed to be pressure free and as relaxed as possible for everyone involved.

Our mid-year concert is usually held the weekend before the June/July School Holiday and our end of year concert is usually the 3rd weekend in November, so the dancing year finishes before the massive rush and commitments of Christmas start.

Can I enroll after the dancing year has started?

Yes - we accept new students throughout the year. Just email us at: info@jigsawdance.com.au for an information sheet and timetable.

Does Jigsaw Dance break for School & Public Holidays?

Yes - we dance within the NSW Schools Terms, therefore following NSW School holidays and Public Holidays (except our starting week of the year and our finishing week of the year).

Also, our first week back of term will start on the Monday (unless it's a Public Holiday) even if your child's school has a pupil free day. Expect for Term 4 which will start on the Saturday before school starts back.

Do I need to buy a dance uniform or shoes before I enroll?

No - dancers trying classes for the first time are encouraged to come in comfy clothes and sneakers. Uniform can either be purchased online through our website www.jigsawdance.com.au or we have stock at the studio so you have an opportunity to be fitted on your trial day.
